ACTION REQUIRED - REFERENCES See Below REFS: A. EGFW-13864, 17 April 1962 (Not sent Luxembourg) B. FROB-1240, 14 February 1962 C. FROB-1239, 14 February 1962 1. Headquarters has informed us that a POA for the re-contact of Subject cannot be granted until they are in receipt of more recent biographic information on her. The latest information available on Subject, aside from her present address and telephone number, is dated 1954. 2. Does [] have the capability of performing a routine background investigation on Subject in order to provide us with current biographic data? Such a background check would ideally be done independently of the host service, but we have no objections to the utilization of the host service if it can be done securely and without revealing our true interest in Subject. For instance, would the pretext of a visa check be plausible and sufficient reason for requesting background information on Subject from the host service? 3. If you can perform such an investigation for us, we request that it be initiated as soon as possible. We are especially interested in Subject's present occupation, and we would like to know as much as possible about her relatives, friends, associates, and organizational affiliations.
